6 TESTING

6.1 In General – Members are only permitted to conduct Testing in accordance with this Rule 6.

6.2 Approved Testing –

6.2.1 "Open Test" – *An Open Test is a Test organized by the Series or an organizer with the approval of the Series.* Schedule to be determined, including without limitation Event Promoter Test days.

6.2.2 *"Other Testing/Events" – Participation at Other Events such as Testing or Competition is considered as "Testing" for the purposes of Rule 6.*

6.2.2.1 Championship Class participants may test and/or compete at SCCA Club race events and other Pro F2000 Series race events at facilities not otherwise prohibited in this Rule 6. Championship Class Drivers are prohibited from participating at any such event at a track yet to hold a USF2000 Championship Series Event.

a) A Driver and/or Entrant may submit a written request to test and/or compete in a fundamentally different type and/or class of car at a track that has yet to hold a USF2000 Championship Event. The request must state the particulars of the testing and/or competition including but not limited to date, track, Driver name, sanctioning body, type of car, entrant (if different from applicant), license(s) required and type of event. Requests are subject to evaluation by Officials and approval or failure to approve such participation is not subject to protest or appeal.

6.2.3 "Private Test" – A Private Test is a Test organized by an Entrant and subject to the following restrictions:

6.2.3.1 The Driver must have completed all required license/membership

requirements and be approved to participate.

6.2.3.2 The Entrant and Entrant's participants must have completed all required license/membership requirements and be approved to participate.

6.2.3.2.1 Private Tests are prohibited from February 1st until the conclusion of the last Race in the 2012 season. Testing is prohibited for Championship Class participants at any facility which has yet to hold a Race of the 2012 USF2000 Championship Series.

a) Any Entrant desiring to conduct a Private Test in accordance with Rule 6 must notify the USF2000 Championship Series office no later than ten (10) days prior to commencement of any such test and provide details of such test in order to receive permission from the USF2000 Championship Series.

b) The USF2000 Championship Series reserves the right to send a representative to any Private Test to check compliance with the USF2000 Rules and the Competitor must co- operate fully with the representative's checks.

6.2.4 Violation of this Rule 6 may result in penalty, including without limitation, the loss of any points and awards, the loss of the privilege to participate in the Event at the facility where the prohibited Testing occurred, the loss of Championship points and/or a monetary fine or other penalty.

6.2.5 Testing is not restricted for National Class Participants.
