Teams entered in the 2012 Team Championship will receive:

- Points earned per race and prizes awarded at year end for the top three finishers in the team point standings.
- Two reserved and annually renewable car numbers for the team.
- · Listing on the series website in the "Teams" section, with all contact information
- · Assigned pit boxes based on Team Championship points
- Email notifications about driver leads (drivers inquiring about the series)
- Free Team Championship registration for the 2013 USF2000 Winter Series.
- Inclusion in scheduled meetings with series management to review the operation of the series, possible rules changes, current series issues, etc.

Team points will start accumulating on the date this form is received by the series office with payment.
