SAGE KARAM, #8 TEAM COMFORT REVOLUTION CAR

- Finished P1 in both practice sessions

"I'm happy with our times today, even with the rain. There are always things we can improve on, so we'll look at the data and get focused for tomorrow. The whole team is working hard, so I look forward to seeing what we can do in qualifying."

ZACH VEACH, #7 TEAM ADS CAR

- Finished P3 in the first practice session; P2 in second session

"Today went really well. After working really hard these past few weeks after Chicago, I think we've really figured how to gain some speed. All of our hard work paid off today in practice. I hope we can carry the momentum to tomorrow for qualifying and the race."
