

Pabst Racing to hold driver evaluation test

Oconomowoc, WI., Jan 20 – US F2000 Team, Pabst Racing announced a driver evaluation test to be held February 16-18. Test seats will be open to drivers interested in securing a seat with the team for the 2010 US F2000 Series.

Team owner, Augie Pabst along with team consultant Tonis Kasemets will be observing the test to evaluate each driver's ability and potential to fill the team's two available seats for 2010.

The duo of Pabst and Kasemets have a history of winning races in the US F2000 Series from 2001-2003 with Pabst preparing cars for Kasemets. That relationship blossomed to the 2005 Champcar Atlantic Championship Series where Kasemets finished 2nd in the championship with 3 poles and 3 race wins.

Drivers interested in testing with the team should contact Augie Pabst at 262-567-1771 or augie@pabstracing.com. Pabst Racing's website is www.pabstracing.com
