Sebring Test Notes:

- Drivers must have their correct, properly logo'd Driver suits and helmets at the Sebring test. There will be driver photoshoots and interviews taking place throughout the test.
- Decals will be handed out to the teams upon arrival by the series. All cars must be properly logo'd as per the published 2022 Style Guide for the Sebring test. Photos will be taken for use in the spotter guides and other media.
- Reminder to have the "Hats Off" system installed in all helmets. These must be fitted before going on track and can be purchased at the test if needed (supply limited). Drivers must have approved helmets.
- Technical inspection will be set up but optional to Teams unless requested by the Series.
- Carryover tires for St. Petersburg will come from Sebring. Drivers not participating at the Sebring test will not have a carryover set at St. Petersburg.
- The Drivers presentation is mandatory for all drivers.
- There will be a Team Owners meeting for USF2000 and Indy Pro 2000 on Monday, February 27th at 5:30 pm at the Gallery of Legends.
